

UNMATCHED PRODUCT QUALITY

Innovative engineering, manufacturing technology and quality control ensure that Spectra Premium fuel tank assemblies meet or exceed the performance of the original equipment they replace.

- Unit is designed to OE fit, form and function requirements accomplished by leveraging our OE fuel system design expertise
- Reduce labor time up to 52% by using our fuel tank assembly which includes the fuel tank, fuel tank straps and fuel pump
- Designed to ensure a debris free, clean fuel system upon replacement
- Fuel tanks made with corrosion resistant, OE approved, Ni Terne steel
- Proudly manufactured in Canada under stringent quality systems
