

# INTAKE MANIFOLD KIT

## #615-175: DESIGN IMPROVEMENT

COMMON PORTS

615-175

Ford 2011-99, Lincoln 2011-01, Mercury 2011-01

### Benefits of Upgraded Design:

- > Integrated Gaskets – No need to use old gaskets, saving bay time
- > Features Common Ports – Modified and tested on both square and round port to ensure proper sealing on all applications
- > Complete Kit – Includes hardware, thermostat and housing spacer for a complete repair

Think It's Dealer Only? **Check Dorman First!**
