

DORMAN WINDSHIELD WIPER SYSTEM REPAIRS

THE ONLY THING WE CAN'T FIX IS THE WEATHER.

Safe driving starts with a clean windshield, and when the wipers don't work properly, Dorman has everything you need to remove the blurry in a hurry. Professional technicians and vehicle owners appreciate our one-stop shop approach to repair solutions because they can count on getting trustworthy, quality parts fast. Whether you need a direct replacement for an original equipment component or one of our exclusive Dorman® OE FIX™ upgraded products, we have the most comprehensive vehicle coverage in the aftermarket.

Don't risk your valuable time and hard-earned money on no-name parts, overpriced dealership replacements, or searching for the most reliable quality at affordable prices. Dorman is the clear choice.

**Whatever you drive,
Dorman is the clear choice.**

- Fluid reservoirs and caps
- Washer nozzles and hoses
- Wiper arms
- Wiper arm nut covers (trim caps)
- Wiper pulse boards
- Wiper transmissions, motor assemblies and bushings

...everything but wiper blades
and washer fluid!
