

DETERMINING HELMET SIZE

Measure your head around its widest part, generally above your eyebrows and ears.

If you plan on wearing a Balaclava, you should measure your head with it on.

Compare the measurement to the table below to determine which size will be the best:

Size	cm.
XS	54
S	55
M	57
L	59
XL	61
XXL	63
XXXL	64
